FIRE IN BASEMENT OF BUSINESS BLOCK ON HUDSON AVE.

A fire started in the basement of the Electric Supply company, 2430 Hudson avenue, at about 12:45 p. m. today and burned a small amount of packing material. The damage was given as nothing, the stock being uninjured, although dense clouds of smoke came through the store room from the basement. A defective wire was given as the cause of the blaze. The fire department made a quick run but the heavy machines were somewhat hampered by the slushy snow. The blaze was extinguished by chemicals before it had gained much headway. J. A. Van Buren is manager of the Ogden plant of the Electric Supply company, the headquarters being at Salt Lake.

Chief Graves of the fire department found on entering the basement that it contained a large amount of packing material, such as straw and excelsior and paper, and was a veritable fire trap because of the presence of this inflammable material. He left explicit orders that the place be given a thorough cleaning out.

STOLEN CAR HAS BEEN RECOVERED
